MUSKEGON COUNTY EMERGENCY MANAGEMENT

Richard Warner, P.E.M.

1611 Oak St, Suite 104
Muskegon, MI 49442
231-724-6341

On behalf of the Muskegon County Emergency Services Office, you are receiving this notice as a result of communications with the Muskegon County Emergency Services office regarding the May rainfall and flooding event that occurred.

Muskegon County is pleased to announce that because of the severity of damage reported, the U.S. Small Business Administration (SBA) has approved funding in the form of low-interest disaster loans. These loans, while originating from the SBA, are for any and all properties that received damage from the May rainfall and flooding event.

We encourage you to read through the [U.S. Small Business Administration Press Release](#), the [U.S. Small Business Administration Fact Sheet on Disaster Loans](#), and the related [Billing Information Sheet](#), all provided by the SBA. These documents should provide you with the information and resources you need to apply for low-interest loans to repair damage created as a result of the May 2020 rain and flooding event.

Best,

Marcia Jeske, Supervisor
