ABSENTEE BALLOTS NOT RETURNED

The August Primary is just one week away and over 650 absentee ballots have yet to be returned for recording receipt of and preparing for the Absentee Voter Counting Board. Due to the volume of absentee ballots issued for this election due to COVID-19, if you can, please vote your ballot and return to the office as soon as possible so staff can prepare them for processing on election day. You may either mail, drop in the drop box outside the main doors at the Township Hall or bring inside to the front counter. You can track your ballot by visiting www.michigan.gov/vote.

Please contact the Clerk's office by emailing clerk@fruitlandtwp.org or call (231) 766-3208 for any questions.

SCENIC DRIVE – FOG SEAL

The Muskegon County Road Commission will be fog sealing Scenic Drive tomorrow and are asking residents to either avoid travel or reduce speed to 5 mph when nearing the process. Thank you for your cooperation.
