### Serve your Township

In my last e-news letter, I sent a request for persons interested in serving Fruitland Township by serving as an alternate on the Zoning Board of Appeals or becoming a member of the Board of Review. One response was received for a potential Board of Review member.

Please consider serving the Township by sending a brief resume to [supervisor@fruitlandtwp.org](mailto:supervisor@fruitlandtwp.org) naming your board preference.

### County Weather and Road Information

Like the Muskegon County Road Commission's Facebook page and get up to date information on local weather reports, road projects, and Road Commission news.

### Contact you Parks and Recreation Members

If you wish to contact one of our Parks and Recreation Commission members, you can send an e-mail to: [prcommission@fruitlandtwp.org](mailto:prcommission@fruitlandtwp.org).

### From the Clerk's Office

The Secretary of State's Office is working with 25 percent fewer employees than it had a decade ago and the offices are getting busier as the State's economy has picked up.

Residents can renew their registration/tabs for your car, truck, motorcycle and watercraft. Most people can renew or replace a standard driver's license or state ID. With its Print 'N Go feature, customers can print their receipt and drive legally until they get their card or sticker in the mail. (Every eight years, customers need to visit an office to get an updated photo). Customers can get a duplicate vehicle registration or title and change/update their address and personal information. You can even join the organ donor registry, all from the comfort of your home, library, office, or on the go.

[ExpressSOS.com](http://ExpressSOS.com) launched in 2011 and has conducted 9.6 million online transactions, saving customers the trip and avoiding the line. Consider trying this service.
