REMINDER

Duck Creek Natural Area

You are all invited tomorrow night, April 19, 2017, for a public meeting on the Duck Creek Natural Area (approximately 308 acres) at the township hall from 6:30 pm – 8:00 pm. Community members will have an opportunity to hear the initial proposal for the property, survey results will be given, and time will be given for questions and answers.

Members of the Fruitland Township Board of Trustees, Duck Creek Natural Area Steering Committee and Michael Mencarini of the National Parks Service will be available for questions.

Looking forward to hearing your feedback.

Kind Regards,

Marcia Jeske, Supervisor
