UNFINISHED BUSINESS:**1. Stafford tree trimming**

Commissioner Barrett reported that he believes Stafford's work of trimming around the two pavilions, the baseball field and the Township Hall is complete. Commissioner Tisue questioned whether or not the trees around the tennis courts would be trimmed as that was part of the agreement, and Commissioner Barrett will be following up with Stafford's to find out about their progress and whether or not this will be complete.

2. Baseball field

Commissioner Picard stated that she spoke with an individual from North Muskegon Youth Baseball and that they are interested in using the Township field for practice and games. She added that they would also help maintain the field. Chairman Williamson stated that the Commissioners would just need a copy of their schedule to make sure there isn't any conflicts.

3. Natural resource survey

Commissioner Tisue stated that the Community Foundation of Muskegon is a good resource in terms of grant monies. He added that the survey would include all of the natural resources in Fruitland Township, not just Nestrom Road Park. Commissioner Tisue also stated that MSU Extension is a great resource because they put together a team depending on the needs of the township. He said that their quote was fairly high, but in retrospect, it's a steal with what they provide.

Chairman Williamson stated that this would not be something that would happen once and it would be done, but that it would be ongoing. He also suggested reaching out to Dallas Goldberg and Michael Pailing.

4. Nestrom Road Park Ordinance/park regulations

Chairperson Williamson stated that he would circulate the approved guidelines/regulations to the commissioners to compare to the suggestions from the Township Board. He added that this would be discussed at the May meeting.

5. Disc Golf Course – April 15th to July 15th

Chairman Williamson said that a meeting is being put together to include individuals from both sides of the Disc Golf Course issue, and that they will be discussing how to move forward and come up with solutions. Commissioner Picard stated that April 15th is quickly approaching, and that she doesn't want to see the park damaged. She questioned whether or not non-political experts will be on the committee. Chairman Williamson stated that the meeting is still being put together, and he is not sure who all will be involved.

Motion by Tom Tisue, second from Maribeth Picard, **FAILED**, to minimize the risk of oak wilt introduction, disc golf play be halted during the critical period of April 15th to July 15th.

2 AYES, 2 NAYS(Barrett, Williamson), 1 ABSENT

6. 2018-2019 budget

Commissioner Williamson reported that the budget was accepted.

NEW BUSINESS**1. Playground equipment**

Chairman Williamson reported that the Township Board put \$30,000 in the Parks and Recreation Specialty Fund for playground equipment. He asked the Commissioners to help him look further into playground equipment and grants, and Commissioner Barrett stated that he would help.
