For section R21.04 Parking Regulations, the commissioners agreed to keep parking throughout the park as long as it is plowed and available all year, without extra cost to the Commission.

Motion by Brian Mathiot, second from Greg Barrett, **ADOPTED**, to allow parking in designated areas throughout the park year-round.

**5 AYES, 0 NAYS**

For section R21.05, Prohibited Activities, the commissioners agreed with the ideas produced by the Township Board. Commissioner Tisue stated that he would like to see alcohol prohibited in the park. It was mentioned that currently alcohol is allowed in the park and is an option for individuals who rent the pavilions. Commissioner Picard stated that a good idea might be to keep it at the pavilions only and that it's not a good idea to have throughout the park. Commissioner Gullen stated that he doesn't see a difference between having it at the pavilion, on the beach, etc. After much discussion,

Chairman Mathiot stated that the Commission just has to provide blanket protection to include in the ordinance, and that there will not be anybody to police the park to make sure the ordinance is followed.

Motion by Brian Mathiot, second from Greg Barrett, **ADOPTED**, to add “in the best interest of residents, alcohol consumption outside of the immediate area of the pavilion is prohibited” section R21.05.

**4 AYES, 1 NAY (Gullen)**

Access for water vessels is beyond the gated road south of the stairwells.”

Chairman Mathiot stated that he is working on getting quotes and information regarding replacement of the tennis courts, since he's not sure as to what steps would be best to take in terms of surface. Commissioner Tissue stated that it might be a good idea to speak to someone who actively maintains tennis courts.

Commissioner Picard responded that she would like to try guarding the trees before removing them.
